LICENSING & REVIEW*

Commissioner for Patents

PO Box 1450

Alexandria, VA 22313-1450

Attn: Licensing and Review

Response to 45 Day Letter

Commissioner for Patents:

In response to the 45 Day Letter mailed on June 24, 2004, finding that the above captioned application appears to "have significant utility in the conduct of aeronautical and space activities" as recited in 42 USC § 2457 (National Aeronautics and Space Administration (NASA)), please enter the attached statement under oath or in the form of a declaration as provided by 37 CFR § 1.68 executed by each of the co-inventors and setting forth (1) the full facts concerning the circumstances under which the invention was made and conceived, and (2) establishing that no

Application Serial No.: 10/761,931
Reply mailing date: August 5, 2004
Reply to 45 Day Letter mailed June 22, 2004

relationship between the invention and any work under any contract or other arrangement with the NASA exists or has existed.

The attached statement being mailed within forty-five (45) days of the June 24, 2004, mailing date of the letter, the Applicant believes that no formal requirement for a statement 5 will be issued.

The Applicant believes that no fee is due relative to the present statement. If a fee is due, the Applicant respectfully requests that notice of such fee be forwarded to the Applicant at the correspondence address supplied with the filed application.

If the Examiner has questions or wishes to discuss any aspect of the case, the 10 Examiner is encouraged to contact the undersigned at the telephone number given below.

Respectfully submitted,

15 Attorney:

Charles J. Rupnick

The following is an example of an acceptable property rights statement. Statements of this type are, of course, only suitable for situations in which NO Agency funds or other considerations were involved in the making or conception of the invention. While this example is in the form of a declaration, a sworn document is equally acceptable.

I (We) Ratan Khatwa
citizens of United Kingdom
residing at 1205 - 225th Place SE, Sammamish, King County, Washington, USA
That I (we) made and conceived the invention described and claimed in patent application:

Serial Number 10/789,368 filed in the United States of America on February 28, 2004
titled Ground Runway Awareness and Advisory System

(Check and complete either I or II below)

I. (For Inventors Employed by an Organization) That I (we) made and conceived this invention while employed by Honeywell International, Inc.. That the invention is related to the work I am (we are) employed to perform and was made within the scope of my (our) employment duties; That the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of Honeywell International, Inc.. Other relevant facts are the invention was developed in-house for commercial sale.

That to the best of my (our) knowledge and belief (and/or) based upon information provided by _____
of _____
—OR—

II. (For Self-Employed Inventors) That I (we) made and conceived this invention on my (our) own time using only my (our) own facilities, equipment, materials, funds, information and services. Other relevant facts are _____

(Check III and/or IV below as appropriate)

That to the best of my (our) knowledge and belief:

III. The invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy.

—AND/OR—

IV. The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.
